Features and Benefits

- Slide-out tray and smart cable openings make setup and maintenance simple
- Constructed from high-quality materials with a folded edge design, ensuring strength and long-lasting durability in demanding environments
- LGX® Compatible
- Includes one 24-fiber splice tray with sleeves (ICFOSTFP24). Easily add additional splice trays as needed for future expansion.
- Designed to fit all standard 19" racks and cabinets
- Holds 12 ICFOP fiber optic adapter panels or ICFCxxxxx MPO Cassette
- Accepts five ICFOSKFM12 splice trays
- Transparent front window for visibility. Allow monitoring and troubleshooting with enclosure closed
- 4 Rack Mount Space
